Dear Maria:

Based upon the payment report you ran for me - it appears that the two (2) state properties (DMV and EDD) have not paid from 2004 thru 2014. Can you please confirm this. If this is the case, can you please provide the following:

1. Copies of all invoices to the State for their assessments
2. When was the last time the State properties paid?
3. Since there are two (2) different state building - do you have contacts for DMV and EDD? Please provide them so that I can prepare a demand letter for payment due.

Thank you

Dear Maria:

I am assuming that you are responding to a request made through Rick Scott. This report is not what I am seeking. I need the following:

1. The payment history of all government and public agencies from January 1, 2005 through December 31, 2014.

My Board of Directors has instructed staff (jim and myself) to prepare a **demand letter to all government agencies within the BID that received services during 2005 through December 31, 2014.** Somewhere in 2008, all agencies stopped paying but still received the services. I need to be able to demonstrate that they did not pay and that the City (as the administrator) in fact billed them accordingly.

Let me know

Thank you for your assistance
